

SECTION 2 – About your investment

I apply to subscribe for a stocks and shares ISA for the tax year **2012/2013** and each subsequent year until further notice. (Please be aware that this statement, recommended by HM Revenue & Customs, enables you to invest in future tax years without the need for a new application form. It does not oblige you to invest with Henderson Global Investors in subsequent tax years unless you decide to do so.)

Please select the fund(s) and the share/unit class you wish to invest in and write your investment amount in the appropriate box, depending on whether you wish to invest a lump-sum or by monthly savings. Information on the funds and share/unit classes is contained within each fund's Simplified Prospectus.

The minimum lump sum is £1,000 per fund, the minimum regular saving amount is £100 per month per fund with the exception of the Global Care Growth Fund, Global Care Managed Fund and the Global Care UK Income Fund where the minimum is £50 per month per fund.

The maximum annual allowance in a stocks and shares ISA is £11,280.

Cheques should be made payable to **'Henderson Global Investors'**. If you are investing via regular savings, remember to complete the Direct Debit mandate. Please turn over to read, sign and date the declaration.

Please see our website www.henderson.com/absolutereturn to find out the availability of shares for the Henderson European Absolute Return Fund.
